

Whitney Sloneker

whitney_sloneker@brown.edu

<https://wsloneker.github.io/>

RESEARCH INTERESTS	Machine Learning, Statistics, Computational Biology, Network Analysis		
EDUCATION	Brown University, Providence, RI <i>Ph. D. Candidate</i> , Computational Biology		
	California Institute of Technology, Pasadena, CA <i>B. S.</i> , Information and Data Science, June 2021		
APPOINTMENTS	Brown University, Providence, RI <i>Research Assistant</i> , Computational Biology -		
	<i>Teaching Assistant</i> , Computational Biology	September, 2023 - December, 2023	
	<i>Writing Center Associate</i>	September, 2022 - August, 2023	
JOURNAL PROCEEDINGS	Sloneker W, Patel S, Wang HJ, Crawford L, Singh R. BetaExplainer: A Probabilistic Method to Explain Graph Neural Networks. <i>Journal of Statistical Theory and Applications</i> 2025.		
ACTIVE GRANTS	May Williamson Simmons Diversity Fellowship		9/01/22 - 5/25/25
	Brown University		10,000
